

About Florida Health Consultants

Since 1995, Florida Health Consultants has been assisting seniors and their families. We manage elder services in all areas of senior geriatric health.

Under the direction of **Maurice D. Plough Jr.**, President/Owner, Florida Health Consultants is one of the leading elder and Geriatric Care Management companies in Palm

Beach & Broward counties in South Florida.

Mr. Plough's personalized and family approach to elder care makes each client feel like a member of our family. Florida Health Consultants is available to help the family with resolving all problems or concerns with their loved ones.
